We dedicate our diary to Mr. Gravatt

We, the students of Selma High, find ourselves unable to express the feeling of appreciation we have for our algebra and mechanical drawing teacher, Mr. Roy Gravatt. We, the staff, wish to dedicate this, the nineteen fifty MAGNET, to Mr. Gravatt. In this small way, we hope to express our gratitude for all he has done for us.

Mr. Gravatt has been teaching at Selma High for twelve years. He is not only our teacher, but our friend. Never has anyone been denied his friendly smile, his help, his kindness.

The students, and all who know Mr. Gravatt, wish to join the staff in thanking him from the bottom of their hearts for his unending patience and feeling of good will. We cannot begin to repay him for all he has given us in the few short years each of us spend here.

Mr. Gravatt, may we wish you happiness and pleasure for many years to come, right here at Selma High.

a lot of things to look

I don't mind looking. Best of
luck in your coming years.
A friend,
Roger.*

we went to that funeral.
When we have gotten
dresses alike. And also
all the clothes messes
we have gotten into.

The Class of '53 entered school shyly, but as time went on, they have contributed more and more to the success of our school by entering into all activities possible. They took the initiation festivities with their chins up in spite of their wearing-apparel for the day.

The freshmen added spirit to pep assemblies, not only by responding, but also took an actual part in them. They also took part in Y-Teens, Hi-Y, and in school sports. Their sportsmanship has been superb.

Some of the Freshmen were accepted as members of the Scholarship Society and were on the honor roll.

The regular Freshman assembly was held in May which was too late to get pictures into this year's Magnet. It was really a good assembly.

With the help of the advisors, the freshmen class was really a class to be proud of (11 members on the football team, several who have lovely voices belong to the girls glee, and some belong to the band).

The freshmen of 1949-50 were not only anxious to make a good name for themselves, but to prove to be an asset to our school, and in the years to come they will work even harder.

Boy! was I glad to start school this year, and with all those new teachers coming in. Who wouldn't?

Of course, I and everyone else hurried to register so we would have our favorite teachers teach us. Some of us were lucky, and then others weren't because we didn't get our favorite teachers and were taught by new teachers. As the year rolled by we came to like them as we had come to like our old teachers.

Selma Hi was well supplied this year with new teachers, and these handsome and attractive people were young and peppy. Of course, they got along very well with the faculty and the students.

The Faculty Club with Mr. Moranda as president and Miss Bartsch as secretary had banquets and a Christmas party besides meeting to discuss professional matters.

School issues decided by board of trustees

The members of the Selma Board of Trustees include Norval Warner, president and rancher; Ernest Nielsen, Superintendent of Mails, Post Office; Harold Child, clerk and attorney at law; Henry Metzler, rancher, and Leslie Unger, rancher.

They have been very busy this year devoting

their time to matters concerning the welfare of the school.

We are very lucky to have such prominent men of the community serving as our trustees.

We of the Selma student body wish to thank these men for their time and energy for the school.

Student Council helps run school smoothly

Our Student Council is composed of the Student Body Officers, each class president, each class representative, the Magnet and Clarion editors, the business manager of the Magnet and the Principal.

The Council meets at noon every Tuesday, and at other times when a meeting is especially called by the president and the principal.

The Council has the job of conducting all of the Student Body business. As the representatives of the students, they use their best judgment in deciding on all important matters.

The Council has been very busy revising the Student Body Constitution. A few of the Student Council Officers went to a convention in Fresno of all the Fresno County schools.

This year the Council thought they should have some means of identification, so pins were ordered and are being worn by each member. The pins are small with "Student Council" written across the top and bottom.

Officers

Colleen Dwyer, Treasurer.

Every Tuesday noon at 12:20 anyone passing by room three, could hear Student Body President Lionel Serimian, saying, "Will the meeting please come to order." Lionel has shown great ability in handling all of the affairs of the Student Body. Since the Student Body President is an automatic member of the Rotary Club, Lionel has represented the high school at all its meetings.

Bob Long, Student Body Vice-President, has done a wonderful job this year of carrying out the duties of his office. Bob, being Student Body Vice-President was chairman of the Rally Committee and leader of all their activities.

Jean Barnes, as Student Body Secretary, has been very capable. Jean has had a lot of experience as secretary because of her previous years as secretary of her class.

Student Body Treasurer, Colleen Dwyer, and Assistant Treasurer, Florence Harper, could be seen up in the commercial room every fourth period working on the Student Body Accounts. They have worked very hard and have done a swell job this year.

Mrs. Lois Thompson, Clerk.

Mrs. Koko Sakohira, Secretary.

We wish to thank Lois and our secretary, Koko, for all they have done for us this year. They, along with our principal and teachers, keep our school running smoothly.

We are also grateful to our custodians. What they do for us each day means a lot to all of us. Mr. Hughes in the Administration building, Mr. Lucas in the Science building, and Mr. Goldbeck in the Gymnasium, have been wonderful. We can always count on Mr. Erwin and Mr. Holt to keep the grounds neat and the lawn trim. They also take care of Memorial Field. The custodians are always busy fixing broken desks and keeping the building in good repair.

The school bus drivers also deserve many thanks. They come early each morning and again right after school to take students to and from their homes. Theirs is a great responsibility.

These folks make our school pleasant

win behind Dos Palos

Well, we almost made it again! Under the keen coaching of Al Nichelini and Ted Moranda, the varsity squad ended up second in the Sequoia League this year.

The season was started with a bang. We won all our practice games by defeating Coalinga and Washington Union.

Our first league game was with Lemoore. We won by the close margin of 7 to 6, with the help of Marion Day's running and Cliff Crow's kicking. Reedley and Fowler came next. They were easily defeated by the Selma Bears. Then came the Sanger game, and the Bears were caught napping by the Apaches and were defeated 6-0. It was our first loss of the season. Clovis and Kingsburg were both easily defeated by the Bears by large scores.

In the last game of the year, Selma had a chance to tie Dos Palos for first place, but they didn't quite make it. They were defeated by a score of 19-6.

The annual awards given by the 20-30 Club were awarded to Marion Day, best backfield man, and Kenny Dawson and Lloyd Marchant the best linesmen. The judges had a tough time deciding between Kenny and Lloyd so they gave them both awards. This is the second year in a row that Marion has won the award for being the best backfield man.

season with tenderfoot squad

Row 1: Tom Ryan, Head Coach; Harold Kaehler, Line Coach.

Row 1: Managers, Paul Hunter, Ronnie Miyata, Alex Grijalva.

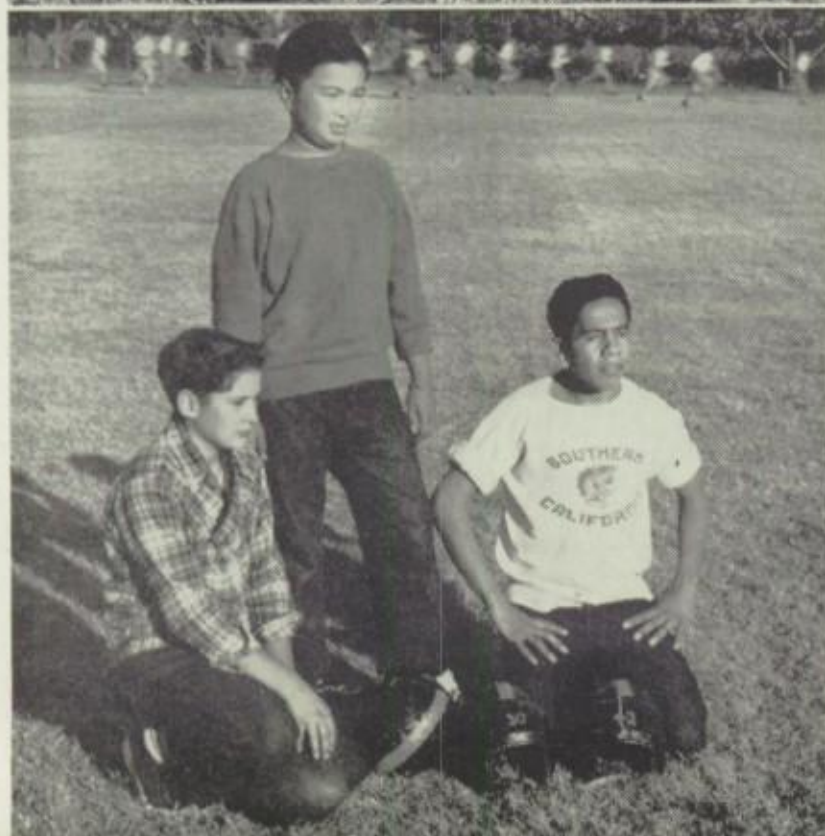

Coaches Ryan and Kaehler had a rough time trying to build almost an entirely new team from a group of boys that had courage and fight, but lacked one thing—experience.

The openers of the season were two practice games with Washington Union and Coalinga. Although they won the first by a safety, they lost to Coalinga 7 to 18.

They got a bad start and when the first game finally came, the powerful Tigers pinned a 33 to 0 loss on the Selma Cubs, who gave them a real fight. The following week the Cubs faced the Reedley team who beat them 12 to 0. Then came the Fowler game. The closely matched teams played a hard fought game but the visitors kept in the lead to pile up the score of 27 to 0 against the Cubs. For their 5th consecutive loss they bowed to Sanger 26 to 6. They played a very tight game with the Clovis B's but because of their weak offense lost 6 to 0. The next week with fighting spirit that seemed to pop out all over, the Selma Cubs out-charged and out-fought the Kingsburg eleven 13 to 12. This was really a thriller because not only was it the only league game win of the season, but it also broke the Kingsburg record of no losses. The last game was one of those heartbreakers in which the Cubs lost 36 to 0.

Congratulations go to Don Pierce, Freshman, for receiving the most valuable player award.

Ben Keeling, Babe Donabedian and Bob Ogata were also tops this season.

G. A. A. has fun

The Girls' Athletic Association was first organized to give school girls an opportunity to enjoy sports as the boys do. Although we are not allowed to have games with other schools, we find that we may enjoy a good game when playing in competition with other class teams.

The G. A. A. members play such seasonal sports as volleyball, basketball, and baseball. We also have individual sports of badminton, ping-pong, and swimming. In addition to this, we have our bike hikes, our own socials, and parties. We usually have one ice-skating party a year, and the G. A. A. Cabinet has one snow party. Each month, a different class is in charge of the social and provides the food and entertainment.

Any girl who receives a quarter grade of "F" is not able to participate in the activities of the following quarter.

while learning to get along with others

In order to become and remain a member of the Girls' Athletic Association, each girl must participate either as a player or an official in at least one sport each semester. Most of us go out for every sport, however.

We must buy our own G. A. A. sweaters, but we earn our awards by participating in the various sports. For 250 points, we earn a G. A. A. emblem, 500 points we receive our numerals, 750 points, a teddy bear, 1000 points, a block "S" and for every 250 points over 1000 we receive a gold star. Most of the girls earn all of these. Many earn more than one star.

The Selma Girls' Athletic Association is larger than most. Out of about 250 girls in school, over 100 of us are G. A. A. members. Few schools of this size have as good a record as this.

Well we have seven sweater wearers this year. Four boys and three girls. The sweaters were given to them because they were considered the most outstanding athletes in the school for the past three years, and not only because of their athletic ability; it also means hard work and good sportsmanship to receive one of these sweaters.

The boys won their sweaters by points received in interscholastic sports and the girls won their award sweater through the G. A. A.

These won athletic honors

The Block "S" has become one of the largest and most active organizations in school. The membership is made up of the boys who have earned letters in various sports.

This has been one of the most active years for the fellows. They boosted our football spirit by selling orange and black rooter's pins.

Especially fun were the snow party in January, a wiener roast and swimming party in the spring, and the annual Sadie Hawkins Dance in March. This traditional dance, according to the kids is the dance most enjoyed by everyone because of the cute costumes.

Much of the success of this club is due to their advisor, Coach Nichelini and the officers: President, Ken Dawson; Vice President, Don Ardemagni; Secretary & Treasurer, Bob Ogata; and Sgt. at Arms, Lloyd Marchant.

Our Armistice queen candidate

Beverly Peterson was chosen to represent Selma in the Armistice Parade in Kingsburg. The student body of Selma High cast votes and Beverly was victorious with Betty Teague and Tillie Moralez, the runner ups. On November 5th the candidates from the various towns were judged at the Kingsburg Gun Club. Although Beverly was not chosen queen, she ran a close second and rode on the magnificent Armistice Queen's float in the parade.

The football team elected lovely Betty Teague, football queen of 1949-50. Her attendants were pretty Elizabeth Cox, Shirley Tippet, and Lois McCullough. At the Clovis game the queen and her attendants were driven around the field and presented to the public, then escorted to the bleachers. After the game, Betty was crowned by varsity captain, Ken Dawson at a dance held in her honor in the gymnasium.

The basketball boys got together and elected as their basketball queen, Ann Nielsen. Ann was crowned by our basketball captain, Glenn Louthenback, at the Valentine Dance which was held in the gymnasium in her honor. Her pretty attendants were Ranelle Williams, Tillie Moralez and Lois McCullough.

Talent makes Sophomore

Our class of 1954, was really on the ball this year. We came away from that awful name "the green freshmen."

From the first of the year our class was a going organization and our advisors were truly co-operative. We got along well with everyone in the class doing everything they could to make it a success.

Oh! What talent we have in our class: singers, musicians, dancers! Anything you wanted, we had. If you don't believe me, you should have seen the Sophomore assembly.

Did I tell you we ordered our class rings? Brother, are they something to look at.

We had a lot of social life too. I mean we attended parties, school dances, in large numbers.

Of course, many of the boys went out for

sports: football, basketball, track, baseball, and tennis teams. All depended on our valuable players.

We also have brains in our class. What do I mean? Some of us were on the C. S. F. for the whole year round.

Some of us joined different clubs and organizations. Jeepers, we even had some members who held minor offices. The clubs were fully aware of our class because we joined in great numbers.

Oh, my, I forgot to tell you that some of our girls were in the Girls' Glee and went around singing at other schools and churches.

Oh, yes, we even had a few members of our class who were majorettes.

So you see that our class was really on the ball, and we're coming back next year for a bigger and better year at good old Selma Hi.

Budding scientists have various interests

The Science Club is a group of students who decided they would like to know more about science than they could learn in their various classes. Each member has a project. With the aid of Miss Rose and Mr. Brown, our sponsors, and research work, we satisfy our curiosity on certain points and report our finding to the other club members.

The club had the projection room as their concession at the carnival.

During the year, some very interesting people have spoken to us. Mr. Raley, head of the Mosquito Abatement District, told us something about the life

cycle of the mosquito and methods of controlling these pests.

Dr. Hawbecker of the Department of Zoology at Fresno State talked about the animal life of California. He showed slides of the animals and birds which he has seen on his various field trips.

Mr. Egon Hofer, manager of KRDU, spoke on the operation of a radio station.

The only qualification for membership is that you have an interest in science and a desire to increase your knowledge in the fields of science.

Pep Club starts slow; rallies pep up spirit

The Pep Club had been trying to get together with the Rally Committee, but it just didn't work out as it was planned.

Most of the pep assemblies during the basketball season were held in the gym. It was a change from having them in the auditorium.

Through the year we had some really good skits for the rallies. I remember one of the first ones we had when Marion Day, the mother, was trying to calm Norman Helmuth, the baby, who was in a rage. Couldn't you just place them as "Baby" and "Mother?" Can you remember what stopped the crying? Well! It was the school song! The last pep rally for

the year was good too. The faculty yell leaders, who were Mr. Hoegh, Mr. Tanke, and Mr. Armstrong, were wonderful! The pom-pom girls, who were awfully cute dressed up in their peculiar costumes, were Mr. Brown, Miss Bettencourt, Miss Anderson, and Mr. Webster.

Something different popped up this year. The big occasions were when "Our Oscar" and "Bombshell" came to Selma High. The publicities kept everyone in suspense. Oscar's head was made by the art class, who did a swell job. "Oscar" was our student body president, Lionel Serimian and Betty Teague was the "Bombshell."

Seniors give their final class assembly

The theme of this year's Senior Assembly was the "Senior Follies of '50" which started with Em-cie Kenny Dawson presenting "Bergie" in a drum solo, "China Boy."

Next "Pantomime Prophecies" took us into the future to see Jean Barnes as a cigarette girl, Jerry Dadigan as a slumming priest, Jane Taylor as a nightclub habitue, Bill Sommerville as a shoe-shine boy, "Stubby" Moyers as a beggar musician, socialite Ellen Cobbey, rich zoot-suiter Robert Hughes, scrubwoman Beverly Peterson, torch-singer Sally Raley, cowboy singer Jane Christensen, and Southerner Melton Wells.

Phyllis Owens sang "I Can Dream, Can't I?" and Alfred Salazar played a trumpet solo, "Star-

dust." Then Iva Lee Roberts danced to a boogie, and Ann Basmajian sang "Dreamers Holiday." Pete Esraelian and Don Ardemagni presented a clown vaudeville act.

Then came some winter scenes. Soccoro Martinez played a piano solo, "Baby, It's Cold Outside," and Betty Ming, Ramona Baker, and Mary Ann Burger sang "Santa Claus Is Coming To Town." Next, ten girls, Sally Noda, Beverly Moulthrop, Phyllis Hall, Marilyn Forbes, Betty Teague, Liz Sahagian, Ramona Baker, June Barnes, Anita Stanley, and Ranella Williams, danced to "Winter Wonderland."

In the Finale, the whole cast sang "We're Breaking Your Heart 'Cause We're Leaving."

Swing band plays for various assemblies

Our Selma Union High School Swing Band, under the direction of Mr. Arthur C. Nord, is one of the best swing bands in our history.

The members of the band have had an exciting year. They have played in many of the assemblies here and have traveled to many of the neighboring schools to play the leading role in our exchange assemblies.

The main function of course, was to play for the school dances, held in the gym. They also had

a dance concession at the Carnival to raise funds.

The band has entertained many of the civic clubs of the town. Also they have entertained the Future Farmers at the Hacienda de Los Reyes.

Everyone appreciates this group's effort to bring popular and dance music to the school and community. As in other years, the group has been one of the special attractions of Selma High. Due credit should be given to their director, Mr. Nord, who spends much time to see that the band is a success every year.

I don't know why, but I really respect and admire you. You have a lot of common sense. It was fun practicing with you, sometimes you almost caused me to do some — well — things especially that time mel came. It was your blouse. A couple of years "from now" if you ask me "real nice" I'll explain why I didn't do some — things I want to. You're really a good kid and I know you're going to make someone a good wife. Look me up and tell me how you're getting along — joking — I'll be at my 120 acres of land. Maybe I'll have some of the single cleared off from it. Boy! I wish I could figure you out. I better writing this stuff before I make a fool of myself. If I haven't already, Gee! you really struck me the right of the Bonquet. I wrote this while you were away talking to me. I guess it just won't go. I'm not ready yet. You're too far to shoot for. Maybe I'll see you and a couple of yrs from now. I'm going to have to go through a heck of a lot of things before I'll

this in all meanness, but I can't. I always be your
 friend just holler anytime you need any thing. Well,
 so long kid. It was nice going to school with
 you. You're really a lot of fun. For honestly with
 hard to get up so early, we enjoyed the practice. We sang
 at the Baptist Church for the Thanksgiving service. We
 also sang at the exchange assemblies.

Goodness! We had a very large group of girls this
 year, in the Glee Club. We sang at the annual Christmas
 Program at the Baptist Church and also at the dedication
 of the city Christmas tree. We took part in the Operetta,
 and a week later we entered the Music Festival. We
 had a lot of fun, but had to work hard since the Oper-
 etta and Music Festival were so close together.

The girls aren't the only ones who have been work-
 ing this year, we of the Boys' Glee Club feel that we have
 had a lot of work, but we have had a lot of fun doing
 this work. We had a lot of fun working on the Operetta
 and being in it.

We of the Treble Clef are very proud of ourselves
 because we got a Superior rating at the Music Festival
 this year. The Treble Clef was composed of twelve girls.
 We rehearsed two mornings a week, and though it was

We feel that the vocal department has done a very
 fine job in producing such excellent singers.

During the year there were two senior trios. The
 first semester Mary Ann Burger was in the trio, but at
 the end of the semester, she finished High School and
 dropped; immediately she was replaced by Marilyn For-
 bes. Even with this substitute the trio went to the Music
 Festival and won a Superior rating.

The trio sang at dinners, parties, concerts and for
 our own exchange assemblies. Much credit is due the
 girls who don't mind giving three mornings a week of
 their time and talent to practicing.

Future Homemakers quite active this year

The Future Homemakers have been quite active this year. The first thing we did was have the election of officers. The results were President, Betty Ming; Vice President, Margaret Ryan; Secretary, Jane Christensen; and Social Chairman, Anna Mae Burleson.

We started our first project by selling candied apples at the football games. We all got a big kick in making them during the homemaking period and after school. Some of the girls always managed to get the hot syrup on their fingers and the first aid kit came into use. I guess we realized how hot syrup can be and that it isn't very pleasant having burned fingers.

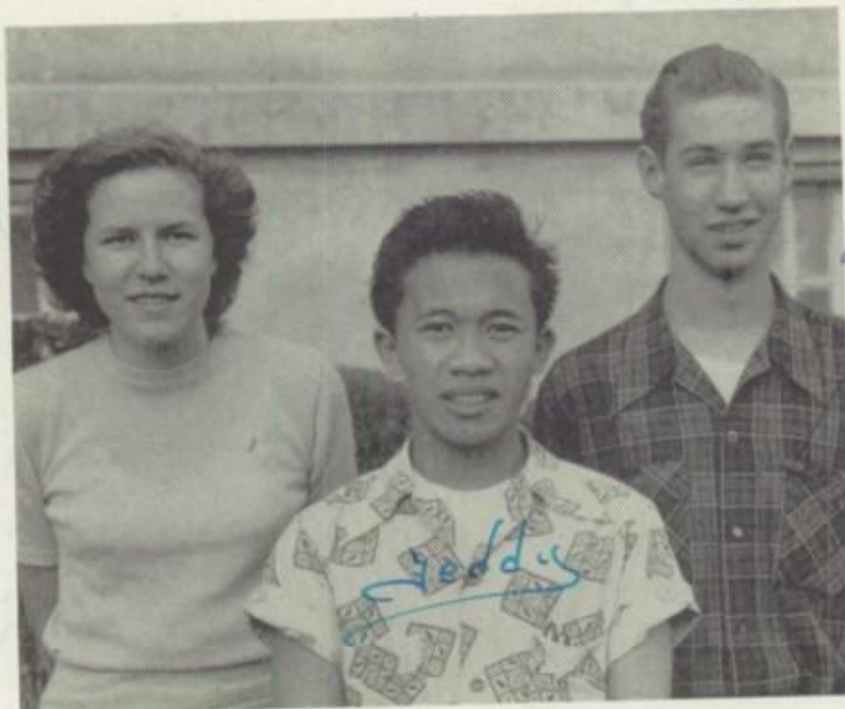

Early in the year, about ten of us went to see the Ice Cycles in Fresno. They were wonderful! It was the first time some of us had seen the ice cycles.

One of the biggest events of the year was the carnival. We sold hot dogs and candied apples. This year we didn't have booths. The members were all dressed up in their costumes shouting, as barkers, "Hot dogs and candied apples," through the crowd. Boy! Were we tired and sore the following day.

Miss Bonander and Mrs. Kielan, our advisors, helped us to have a successful year and have shown great interest in our activities.

Red Cross sends gift boxes overseas

The activities of the Red Cross started rolling with the election of new officers, Ted Bernas, president; Howard Dienger, vice president; and Patsy Erwin, secretary.

The membership of the council was swelled by a waiting list method. This method was decided the best to get kids who were really interested in the Red Cross.

An assembly with Howard Dienger directing was presented in November to start off the drive. Iva Roberts was in charge of the drive, and quite a bit was collected. The main feature of the assembly was a twenty minute film showing the conditions and suffering of the people in the war devastated countries.

Alice Kajitani, Ted Bernas, Ruby Tateosian, Zoe Ann Chaffin, Ruth Jensen, Genevie Fulton, and Mr.

Brown attended a convention at Reedley in November where a speech about Red Cross correspondence was given by Ted Bernas. It proved to be very helpful, for a project of the club was an album of the school and town to be sent to Poland.

Ronald Baker was in charge of gift boxes that were sent overseas. These included gum, colors, crayons, thread, needles, safety-pins, wash cloths, soap, and handkerchiefs that were welcomed by the needy children. Christmas food packages were made up and donated to some poor families in town, Jean Barnes was in charge of this.

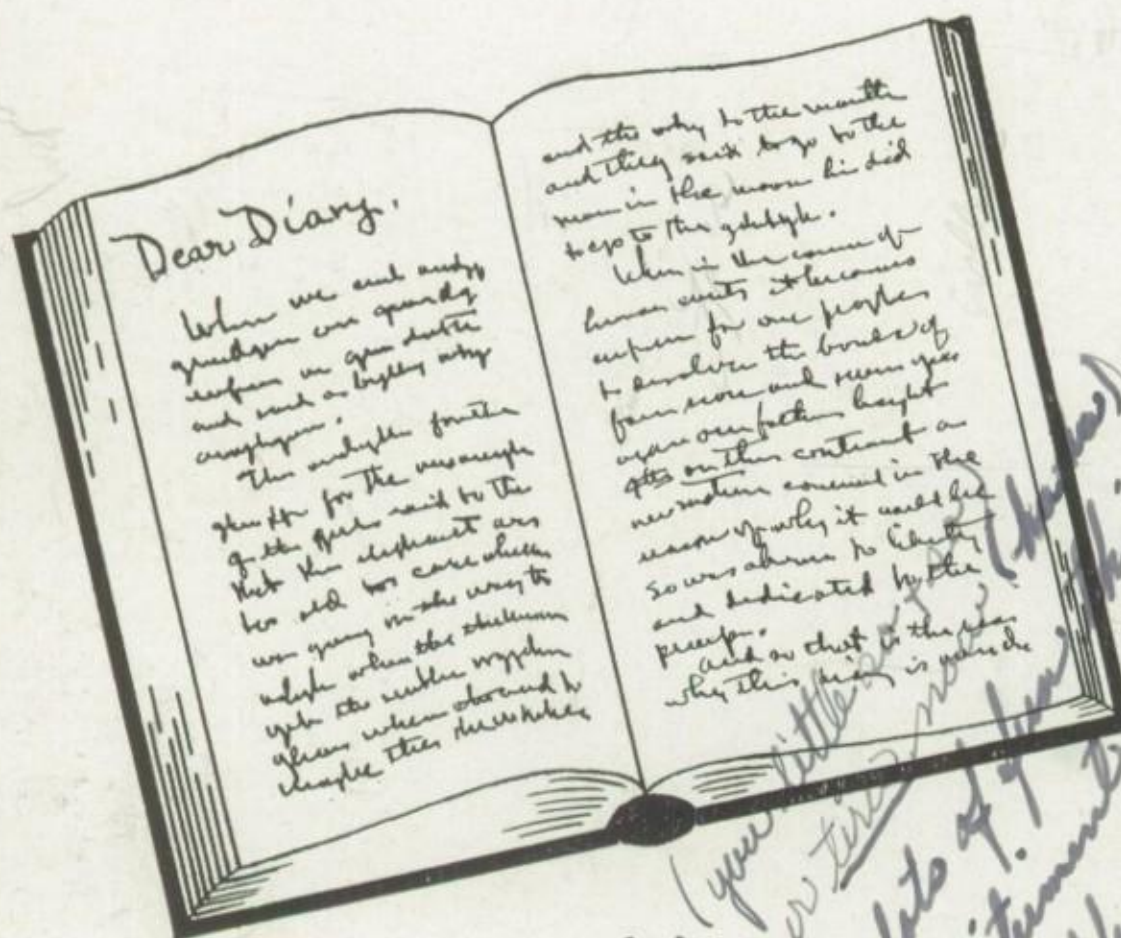

Money was collected from the grammar schools which was donated to help out the Navajos.

Through the fine cooperation of their able adviser, Mr. Brown, the Junior Red Cross has had a very successful year.

Band is honored by invitation to march at

Our wonderful band had a glorious and honorable year. The school, the city, and the whole county has been extremely proud of our band.

The biggest thrill of the year was being chosen to represent Fresno County in the Tournament of Roses Parade at Pasadena on January 2nd. The night before the parade the kids toured Hollywood Blvd. The ninety members of the band had to get up at four o'clock on the morning of the parade. They went to the Garfield Grammar School in Pasadena to await marching time which was at ten o'clock. At this time pictures were taken of the eight most outstanding bands in the whole parade. Our band, unofficially,

ranked about fourth, which was marvelous considering all the professional bands there. Though very tired, by the end of the 7 8/10 mile parade, half of the kids went to the famed Rose Bowl to see the game between California and Ohio State. That evening everyone was treated to a delicious dinner at Clifton's Cafeteria. The next morning they left for home. All had a perfectly wonderful time.

The band made outstanding showings at the football games in the fall with cute, little drum majorette, Ranella Williams, in the lead. The band made many trips to other towns for parades in the fall and in the spring. Some of the places they went were Kingsburg, Dinuba, Reedley, and Lindsay.

*These are
the days to
remember
Ranella*

One of the most outstanding parades was the All Western Band Review on November 26th.

The band and several soloists appeared in the Music Festival in Fresno in the spring.

The majorettes appeared in the exchange assemblies this year dancing to "Pretty Baby." They took tap dancing lessons and learned a cute dance to "Oh You Beautiful Doll" for the Band Concert. In the finale of that program they did a baton drill in their sparkling, white, satin uniforms.

Entertainment provided by rally committee

Well, the rally committee really put on some good assemblies this year, before two weeks of school had passed they had the assemblies very well planned. When the assemblies were presented they received a great deal of response from the student body.

One of the biggest and finest rallies they planned for the year was the annual bon-fire rally, before the Dos Palos football game.

The rally committee is made up of the "Block S," "G. A. A." and the yell leaders, with three fine faculty advisors.

If you have ever attended a pep rally at Selma High you know who our yell leaders are. There are four of them, two boys and two girls. Their leader this year was a Sophomore girl who had loads of pep and vigor. She was always on the run. In fact I doubt if many people have ever seen her walk. Of course, she is none other than Neva Roman. The other three yell leaders are Janice Craven, Ted Bernas and Ronald Danganan.

Juniors give "We Shook the Family Tree"

The Juniors chose "We Shook the Family Tree" as their big production. Under the direction of Miss Betty Bettencourt, it was presented on January 28th.

Before the important school dance, Hildegard (Louella Harris) didn't have a date. She had tried to gain popularity by being on the winning debate team, but had actually established herself as a brain. Being kidded about not having a date, she told all her friends that she had a date with a dreamboat. She didn't know until the day of the dance that her mother had arranged a date for her with the laughing stock of the whole school, a boy who wore pantaloons (How-

ard Dienger). When she found out, she was in complete misery. If she went with him, she would be laughed at by everyone. On top of all this worry, she was bothered by her two mean brothers and a little neighbor girl, who always wanted to play mailman. Her brothers were Larry Largent and Ronnie Silvera; the little neighbor girl, Rose Missakian. The happy ending came when Hildegard's date got his first pair of long pants, and they went to the dance proud to be with each other.

The audience left the auditorium chuckling. The play was a hit!

Basketball ends season with 4 wins 8 losses

We had a fair basketball season this year. Although we ended up in sixth place, we had some very close and exciting games. The games with Fowler and with Kingsburg were the best considering the crowds and the importance of the games. The Selma quintet won five games and lost seven. Glenn Louth-
back was the able captain.

Fifteen of the seventeen players who turned out were chosen for the squad. We had four players from last year's "A" class team back this year. They were Glenn Louth-
back, Kenny Dawson, Bill Sommerville, and Clifford Crow. They were the only ones who had any varsity experience. The new members from last year's "B" squad were Norman Helmuth, Jerry Dadigan, Dick Cain, Doug Walker, and Ben Katayama. The new boys on the team were Lee Hansen from Los Angeles and Levoy Collins from Bakersfield. Dick Cain, a junior, was high point man of the season.

show their skill in basketball

The Selma Hi Cubs wrapped up their basketball season in a blaze of Glory after a mediocre start which saw them "see-saw" back and forth between the win and lose column with equal consistency.

About mid-season the "B" Quintet had mastered the style of play introduced by their new coach and came roaring down the home stretch as the hottest team in the Sequoia League. The "Ryan Ramblers" knocked over seven league teams in a row only to lose the final game of the season to Sanger by a single point. This put Selma in third place behind Reedley and Fowler who tied for first.

In their stretch drive the Cubs beat the league leaders on two successive week-ends which forced the Fowler and Reedley teams into a tie for top spot.

There were no individual stars on this casaba crew. The first five men, Captain Abel Moreno, Don Pierce, Jim Hicks, Babe Donabedian, and John Mechigian worked smoothly together which was the major factor in the success of the season.

The substitutes who were always ready for "relief" work were Richard Shirin, Jerry Kobashi, Bob Ogata, Bob Nielsen, Wayne Peterson, John Shapazian, Donald Christensen, David Harper, and Jimmy Sakamoto.

The Cubs finished league play with seven wins and five losses. Season play, twelve wins, and nine losses.

The Teddy Bears started the season with a bang to win their first game against Washington Union. Under their new coach, Harry Kaehler, the team looked good. He had a hard fighting team. Most of the team were Freshmen and Sophomores. Our Teddy Bears tied for third place this year in league play. The captain of the Teddy Bears this year was Jimmy Inouye.

The team had no individual star. Jimmy Inouye, Kip Quon, Gene Tanke, Danny Olmstead, and Ronnie Avila were the starting five who seemed to work together best. Ready to do relief work were A. Collins, F. Day, G. Hayhurst, D. Bernal, H. Takikawa, L. Bennett, and R. Erickson.

Hi-Y is busy attending conferences

Our Hi-Y started activities for the year in a big way. The first big event was our going to Sequoia Lake where Donald Shantz was co-chairman of a conference of leaders.

Soon after this, on November 25-27, Ted Bernas attended the Southwest Area Convention at Asilomar which is near Monterey. Over 600 delegates attended from 6 different states and the Hawaiian Islands.

This winter our club divided into two teams, which competed to see who could bring in the most members. February 15, the losing team treated the winners to an ice-skating party in Fresno.

Our club was greatly publicized by having a weekly write-up in the Selma Enterprise. Robert Bates was our reporter.

On February 25, 15 of us went to Fish Camp for a snow trip, Boy! were we sore after the trip.

On March 4th the Fresno County Council of Hi-Y and Tri-Hi-Y clubs sponsored a Youth Conference at Reedley. Ted Bernas was elected vice-president. It was a whole day affair which included a banquet. Over 200 people attended. Selma was well represented.

In the spring a hay-ride with the Y-Teens was real neat.

Throughout the year our club enjoyed educational and entertaining meetings, and we feel that through the fine co-operation of our sponsors, Mr. Tanke and Mr. Kaehler, we've had an active, swell and successful year.

The F. F. A. sent three boys to Waterloo, Iowa, this year to a National Championship contest. The boys won top honors and awards and we are very proud of these boys: Rudolph Wells, Kahn Tsuchiguchi, and Elmer Kobashi.

At the Fresno Fair we participated in some judging. Although we didn't come out with top honors we learned a great deal from the excellent showmanship that was shown.

We had our initiation of the greenhanded freshmen, October 20. We proceeded to have them wear their clothes backward, and then we made them eat live (?) worms. All of us enjoyed the initiation and we feel that the freshmen were properly initiated into the organization.

We won an Aberdeen-Angus steer worth four hundred dollars on a radio quiz program. There were individuals in our group who won other prizes such as \$25, a tool chest and a thermos jug.

In a contest held in Madera, January 12, we won the second place standing.

We are very proud of our boys and their ability to win these various contests, which they have entered.

Junior class has a full year, what

The class of '51 has had an active year. They received their beautiful gold class rings early in the year and proudly showed them off to all the other students. They had candy and coke stands at all the home games to help raise money for their Junior-Senior Banquet, an event which they have looked forward to since they were freshmen. This stand serves to keep up the spirits of the rooting sections and to put more pep behind the yells.

The Junior Play, a comedy entitled "We Shook the Family Tree" was given January 28th under the direction of Miss Betty Betten-court. The audience thought that the kids did a fine job.

A lot of hard work was devoted to the Junior Assembly. Ted Bernas was the general chairman. It was a gay and delightful program with a carnival theme.

with plays, assemblies and banquets

The Junior class advisors are Mr. Ted Moranda, Miss Delores Bonander, and Mr. Harold Phillips. They have been extremely helpful with the play, the banquet, the coke and candy stands at the games, and they are interested in all undertakings of the class.

Members of the class made wonderful showings in all sports, assemblies, and school productions. They have a great outlook for the next year, in sports especially.

They have already begun plans for the coming year. Initiation and graduation are of the most important now. If we are under leadership as capable as that of our President, Dickie Cain; Vice President, Theodore Bernas; Secretary, Nobie Kira; and Treasurer, Patsy Erwin, we shall make next year as perfect as this one has been.

"Carnival" is theme of Junior assembly

The Junior Assembly was really a screamer! Prancing clowns, leading the Junior Band through the auditorium, introduced the hilarious "Carnival," with its "Big Top," "Roller Coaster," "Loop-O-Plane," and "Giant Ferris Wheel" in the background.

The scene was cleverly set by Ted Bernas, M. C. and the Swing Band playing "Lovely Bunch of Coconuts." Previews of the vaudeville then encouraged the audience to attend.

A swing version of the "Chattanooga Shoe Shine Boy" was followed by the "Freak Show," presented by "Barker" Keeling. The Tall Lady, Bearded Lady, Strong Man (who seemed to have left his muscles at home) and "Tiny" the Fat Lady

(with pillows) and "The Wild Woman From Borneo" were introduced.

A piano solo "Gaiety" was followed by the beautiful dancers, Jerryiana Smith, Edwina Cook, Donalita Lynn, and the shy and modest little Melvina Bethel.

The second part of the Carnival was a vaudeville show with Lois Erickson as M. C.

Musical renditions were by the German Band, and a Junior Couple danced a Jitterbug to "Bye Bye Baby," and Rhumba with its swirls and twirls to "Siboney."

The finale was a dance by a quintette of Junior girls who led the entire cast out through the auditorium.

Our first Y-Teens meeting was a joint meeting with the boys of the Hi-Y and our Y-Teen girls. We had as our topic Boy and Girl Relations, with Miss Anderson and Coach Nichelini as counselors. We asked both teachers questions on going-steady, dating and proper hours. There were sure a lot of us there because all of us like to hear discussions of Boy and Girl Relations, and get the viewpoint of adults besides our parents.

The Y-Teens didn't have too much money, so during the football season, we sent for some orange and black rooters caps and chenille emblems to sell. We cleared a small amount, but we felt we increased school spirit a great deal. We then sent for some Christmas Cards and

sold seventy-five boxes. It was fun selling these cards because you meet so many interesting people.

On February 18, we had the Valentine Dance at which Ann Nielsen was crowned Basketball Queen. There wasn't a very big crowd, but those who came had a lot of fun. Although the dance was a financial flop, everyone had a lot of fun.

Jane Christensen and Sidonie Murray were the only girls that got to go to the mid-winter conference at Asilomar.

Though the club membership has been small, those who have come and worked hard have certainly enjoyed this year.

"Tune In" presented by vocal department

"Tune In" starring Ramona Baker and Billy Jo Collins was presented March 10 and 11. Ramona was Mitzie, a switchboard operator, and Billy, Jerry Kennedy, advertising manager for the Kroggins Kippered Kodfish Company. Mrs. Kroggins, portrayed by Jane Christensen, and Archibald Throckmorton, by Bob Long, stole the show. Jane stole it with her fantastic songs, "What Vision Meets My Eye," and "The Gate Is Off the Hinges." Archibald stole it with his sneezes and being pushed out of the studio.

The sister team of Tilly, Milly and Billy sang throughout the show, but one of their most interesting and popular numbers was "I've Got a

Lovely Bunch of Coconuts." They were assisted by Homer Adams, who had a very well accented English voice.

The plot took place in the studio of station K. T. N. T. Joe Brown, owner of the station, was on the verge of losing it to its former owner, Mr. Phipps. However, Archibald Throckmorton came to the rescue by announcing that Joe had inherited ten million dollars and all the patents to the kipping process.

Everyone enjoyed the show and the cast enjoyed presenting it. It was under the able direction of Mr. Walling and Mr. Wescoat.

"The Lamp Went Out" highlights soph assembly

March 24, Norman Helmuth, Master of Ceremonies, opened a variety show, presented by the Sophomores. Joan Bachle and Shirley Tippet opened the show by dancing to "Music, Music, Music." Next was a tumbling act by Margie Sires and Jo Ann Palmburg. Difficult tumbling acts were done while a record "Easter Parade" was playing.

A seven piece band played a few selections, and it was very good even though they did hit a few sour notes here and there. It consisted of Billy Jo Collins, Bob Nielsen, Jeanette Marsico, Gene Tanke, Robert Bates, Ronnie Miyata, and Emery Brockett playing their different instruments.

"Waltz in B Minor" and an encore "Twilight Serenade" were piano solos by Don Ann Kemp. Four lovely girls, LaVerne Lyster, Colleen Krigbaum, Joan Bachle and Shirley Tippet tap danced to "April Showers." The girls were dressed in very cute looking costumes they made.

The last act was a skit. "And The Lamp Went Out" was the name of it. Carol Warner, Wayne Peterson, Gene Tanke, and Margie Sires participated in this skit and Bob Nielsen acted as Narrator.

This assembly was one of the best assemblies we had during the year.

Play audiences hear music by orchestra

The string ensemble has done a fine job of presenting us with some good classical music which is always a pleasure to hear.

This group has been somewhat larger this year and under the able direction of Mr. Nord it has been quite active. They furnished music during the intermissions of the Junior and Senior Plays and also performed in the Operetta.

We hope that this group will increase as the years go by and will be able to give us as fine entertainment as they gave us this past year. Good Luck!

The peppy quartet with their colorful pom-poms were right on their toes to strike up the cheering crowds at the football games during the quarters and half times.

As the signet bearers for the band they accompanied them to all the parades and also to the Rose Bowl Parade which was the hi-light of the year.

In addition to all this they also danced in the exchange assemblies and Band Concert and went through their routines at the pep assemblies.

Under the capable leadership of Beverly Peterson, the pom-pom girls, Shirley Tippit, Evelyn Serian, and Joyce Lowry, deserve a very hearty congratulations for their efforts and fine performances.

The Scholarship Society has been active this year. We started off with thirty-three members, but the second semester it was reduced to twenty-six. There are three seniors who made life membership. They are Muriel Penley, Lionel Serimian, and Mary Umekita.

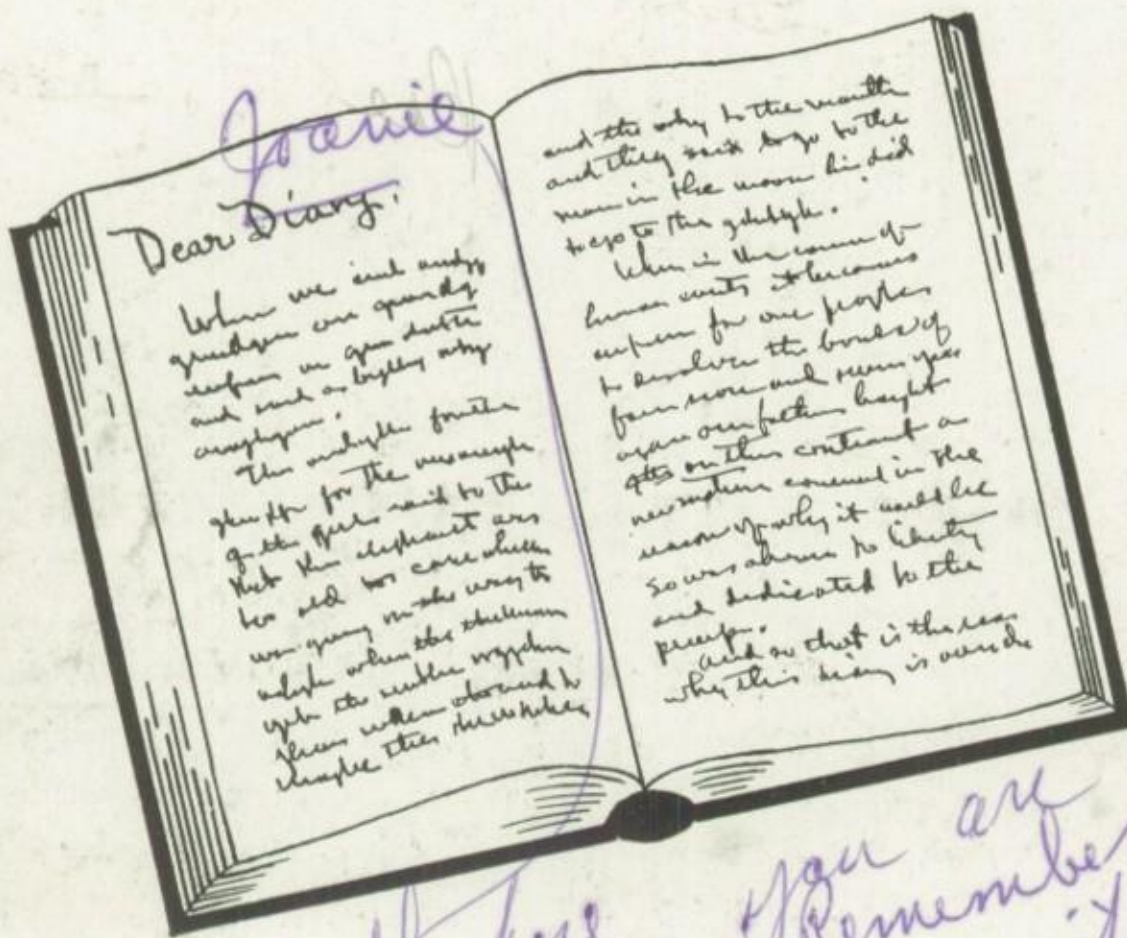

We had many things planned for the first semester. One of the things planned was a snow party, but it was canceled due to conflicts. We did go Christmas caroling though only a few attended. It was pretty cold outside, but the refreshments of hot cocoa and cakes really warmed us up.

During the second semester we were really busy. Selma was host for the Spring Conference held on March 18, 1950. Each school was to present some form of entertainment. We had a piano rendition by two girls. Many of the schools were represented to help make it a success. Sanger with about thirty-five members had the largest representation.

Toward the end of the year we had the carnival and Spring Formal to think about. We had the slide for the carnival; it went over just perfect because there wasn't any expense to worry about. The bigger problem was the Spring Formal. Everyone pitched in with the work and had fun at the dance.

"The Clarion" has been very popular among the student-body again this year. It has contained the latest "scoops" about school.

They have helped to advertise the plays, Band Concert, Operetta, and other projects during the year with write-ups and pictures.

There have been fourteen issues published with one special stencil issue at Christmas time. These were put out with the help of the Journalism Class. The staff is under the direction of the Co-editors, Anna Mae Nelson and Ranella Williams, Mrs. Hasbrouck, advisor and Donnas Middleton, Business Manager.

The Clarion and Magnet sponsored the Carnival March 31, which helped the financial situation, of both staffs.

A few members of the Staff attended fall and spring Press Conferences at Fresno State College.

As this year's Staff Members turn the Clarion over to next year's staff, they do it with the satisfaction of knowing their's was a job well done.

Hilarious comedy is put on by the Seniors

The Seniors did a wonderful job in presenting a three act comedy, "Our Hearts Were Young and Gay."

The action took place aboard a ship heading for France in the first and second acts. The third act took place in a hotel room in France.

The play begins as the Steward, Bob Hughes, shows Mrs. Skinner, Ellen Cobbey, and Cornelia Skinner, Barbara Hicks, to her cabin. Otis Skinner, Pete Esraelian, brings in Emily Kimbrough, Evelyn Serian, who had lost her way in the boiler room. Emily's and Cornelia's mothers had given them safety-pockets that they didn't appreciate at all. Everytime they threw them away someone would bring them back.

Two very imposing English girls, Harriet St. John, Jean Barnes, and Winifred Blaugh, June Barnes, almost gave Cornelia away when she had the measles, but Dick Winters, Don Ardemagni,

and Leo MacEvoy, Bob Long, cover up. Emily thinks she kills a man when she throws a chair overboard.

Others on the ship were the Inspector, Ruth Kraft, the Purser, Alfred Salazar, the Stewardess, Ilene Raney, and the Admiral, Marion Day.

The hotel room in Paris which was run by Madame Elise, Ranella Williams and Therese, Betty Teague, was where Cornelia acquired "bed bugs." Leo and Dick arrived before Otis got them cleaned up so Emily threw the bucket out the window and hit the window cleaner, Alfred Salazar.

Monsieur de la Croix, Lionel Serimian, told Cornelia she couldn't act, so the play ended with Therese running out the door with Emily's and Cornelia's safety-pockets as they head for the U. S.

Remember the night I wrote late to play practice?

Well, the varsity didn't have a very successful season this year. Under the fine coaching of Al Nichelini the team did all right, but they were a little green and they had a little bad luck. Most of last year's team left, leaving only a few experienced players. The ones who returned from last year are: Kenneth Dawson, Clifford Crow, Marion Day, Benny Katayama, Donald Lynn, and Alfred Salazar; those who came up from the Junior Varsity are: Melbourne Scheidt, Norman Helmuth, Dickie Cain, Bill Owens and Tony Medina.

Alfred Salazar, Clifford Crow, and Donald Lynn were the top batters for the Bears.

The Bears played ten games; six of them were League games, and they won two out of six. The games are as follows:

Washington
Lemoore
Fowler
Sanger
Clovis

Dinuba
Orosi
Kingsburg
Reedley
Riverdale

The Junior Varsity were also very unlucky this season, out of five games they won two. Under the coaching of Mr. Kaehler, their sportsmanship was fine and they played hard.

Ellen Cobbey is presented with Arion Award

Pat Jones

The annual Band Concert was held on May 5th, with Ellen Cobbey as the Mistress of Ceremonies. One of the outstanding features was the guest star, Ruth Winton, a singer well known for the fine quality of her soprano voice, her true interpretations and her warm personality. Another guest soloist was Irene White who played a piano solo.

Several other special numbers were presented: Ellen Cobbey played the piccolo; a march featured the Bell-Lyre girls, Patsy Erwin, Cornelia Bowen, Lois Erickson and Gloria Thompson; a Trumpet Trio, Alfred Salazar, Gene Tanke, and Bob Nielsen, played "Polka Dots," and dances were performed by Joan Bachle, Shirley Tippet and the Majorettes.

Ellen Cobbey and Ranella Williams were awarded gold medals, and Joyce Gordon, Gene Tanke, Bob Nielsen, John Araki, Patsy Robertson, Patsy Erwin, Charles Barnes, Robert Bates, Rudolph Wells, Betty Driskill and Joan Lowry received pins.

Tennis improves as school spirit increases

The tennis team, under the coaching of Miss Trudy Doerr, had a fairly successful season this year. The team had practice games with Roosevelt High, Caruthers, Washington Union, Central and Kerman. League games were with Lemoore, Reedley, Fowler, Kingsburg, Sanger, and Clovis.

Selma won one match from Lemoore and had some quite good showings in some of the other games. Nobie Kira won several of her games, and Phyllis Owens and Jerry Dadigan had a pretty suc-

cessful season. Marilyn White and Ruth Kraft also turned in several wins and David Harper did a rather nice job in boys' singles.

Nobie Kira, played girls' singles and Marilyn White and Ruth Kraft played girls' doubles. Boys' singles were played by Bill Sommerville and David Harper. Playing boys' doubles were Gene Tanke and Bob Nielsen, Babe Donabedian and David Harper, played alternately. Phyllis Owens and Jerry Dadigan played mixed doubles.

The black and orange cindermen found themselves in a midst of heavy competition as many records were smashed in the various meets.

On March 30, they were invited to a dual meet at Clovis. Although they were strong in the hurdle events, they could not equal the opponents in the distance events and were defeated 130-150.

April 15 took them to the Reedley Relays where they captured 3 firsts, but did not come in on top as a team.

In the tenth annual Sequoia League track and field meet at Clovis High, they took fifth from top honors. This proved to be one of the most fascinating events as many records were broken.

They concluded their 1950 track season by entering the annual West Coast Relays.

A successful season in swimming is anticipated

Miss Doerr, Mr. Nichelini.

As always, it is impossible to print anything in the Magnet about this year's swimming team because it is still too early in the season at the time this material must go to press.

Last year the varsity and B teams won the Sequoia League Meet and the B team went on to capture the County title. The girls didn't have too successful a season last year but should do better this year.

Many records have been broken by our students and we should have a very successful season this year.

Meets are to be held with Kingsburg, Fresno High, Tulare, and Fowler. This year Fowler will be host for the League Meet. The County Swim Meet will be held in Lemoore on May 20. On May 27, the boys will go to the Valley Swim Meet.

Hi Annie -
Well, we really had lots of fun
in Traci's room. Remember how
we used to copy each others outlines.
I used to do page 4 & you page 2 then
we would change. We had alot of fun
telling jokes too. Well, it was good
having history with you and I hope
we have more next year. Here's
wishing a swell kid the very best
of luck always. Angie

[illegible]

Yours unitedly
the Selma Head of
Cubs.

Joan,
We've known each other for a long
time and we've had a lot of fun.
Here's wishing lots of luck to a
swell gal.
Always,
Wayne

Always

A freshman says,
 "Hurrah! It's the
 last day of school!"

The senior says,
 "Farewell to
 Alma Mater"

The end of a profitable four years

As the year comes to an end, we look back on our high school days. Each one of us is sad to leave our alma mater.

The freshmen initiation turned out OK, except for one slight casualty. In spite of this, both freshmen and seniors had a good time.

The Senior Snow party at Fish Camp really surprised the seniors riding on the bus. Somebody mixed up the directions and the bus ended up at Big Stump.

The seniors had a busy second semester with all the parties, Senior Career Day, meetings with college representatives, and the Junior-Senior Banquet.

All in all, the seniors have had a very successful, exciting and profitable four years. We seniors have been looking forward to graduation every since the first day of school, but now that its here we are sorry to leave. However, we know that in the coming years we will look back on our high school days and remember all the good times we had.

May Jeanne,

Harvie has been
sweet knowing you
all these years.
Remember last year
while Bobbie was
here? Boy, we really
had some fun. I'll
never forget the day
we went to Kingsburg
& you & me & a few.
I just always did
laughing.
Honey, you are such
a sweet magnetite. I
want to wish you
lots of luck. Hope
you will be your
most fun.
You're a real sweet. Harvie
is. Don't ever forget
me. Love ya much

Guess what our theme is for the 1950 Magnet? Well it's something really different. It is "Dear Diary." Isn't it wonderful?

The year started off with an assembly and sales campaign. The Co-Chairmen for the assembly were Anita Stanley and Sally Noda. Nobie Kira was in charge of the big job—sales. Also in the spring we helped the big event of the year, the carnival.

Early in the year, the Magnet and Clarion staff went to the Thomas Lithograph Co. and the Fresno Photo Engraving Co. in Fresno on an interesting field trip.

Johnny Mechigian has been a great help to our staff. He took pictures for the ads and many action shots. There were others who turned in snap shots which were really good. These helped to put out a better annual.

We worked very hard to get the Magnet out in time. We hope you have as much fun reading your "Dear Diary" as we had putting it out.

Well kid it's really been refreshing watching you bounce around the campus this year. Thanks for your help on the carnival - Maybe we can do the same next year. It's looking forward to a friendly and enjoyable association with you next year, for and I know it will be so. All close now and save the more worthwhile things to Magnet - your next year's be your sense it will be your sense year. Sincerely your friend, Tracy Dale Huntington

Dear Joan;

You trapped me. Lucky you. You
only the fiftyth person to ask me.
Well Gannie how are you. I am
fine. Remember all the fun we've
had - to be continued - Time to eat.

Dear Joan

We have just one more day of school left go.

We won't ever forget what happened the night of the Spring formal. (2 flat tires)

Remember the fun we had after the Banquet when we went to Bass Lake.

During swimming season we had a lot of fun. Remember the Valley meet you went home then your mother got mad because you used all the gas in the car.

Can't think of very much to write now so I'll wait till after graduation to write more.

Done

Done

Dear Joan.
 For the last
 five years we have
 been going through
 school together, for
 year, and here we are
 finishing up our junior year
 in Selma. Hi. We haven't been to
 many places together but the places
 we have I have always had fun. Remember
 the Junior-Senior Banquet & Bass Lake.
 I'm wishing loads of luck to a swell
 friend. Dear Joan

Rodney
 "51"

Dear Joan,
 Well another
 year has gone by. Here
 you are a senior now.
 I hope you have loads
 of luck in the coming
 years. You are a
 cute kid. A pal,
 Collene

Dear Cousin
 I hope Biff marries Sally
 so we can be cousins.
 Remember Ronnie Seav's.
 There isn't anybody like he
 is there - I'm going over
 to Willys & smoke.
 So God Bless You

Bergie

I've really been fun going to
 school with you throughout
 three years. I really didn't
 know a swell kid, and there
 was one thing I want you to
 do for me. Always be nice
 to my girl because you have
 a wonderful future. I'll see and
 so does she. I mean you.
 There isn't too much I can say
 except all my love and luck to
 a there - e - cute girl.

Don't forget all the well wishes at
 Selma. Hi. Great of all don't forget your
 own town friends. It's making you
 the best of luck, happiness, boys, girls, friends,
 or what have you.
